Charlton COLLECTION

Quality Guarantee

The Charlton Collection is designed and manufactured in New Zealand and carries a 25 year guarantee against any material or construction fault, excluding misuse and normal wear and tear. Fabrics and coverings excluded.

Guarantee applies to original purchaser only and does not apply to commercial applications.

All claims are to be made to the original retailer. Proof of purchase is required.

General Care

- Avoid prolonged exposure of furniture to direct sunlight.
- Place furniture away from heat sources where excessive heat may cause timber to shrink.
- For normal cleaning, wipe surface with a damp cloth.
- The lacquer finish has a heat and moisture resistant quality, but liquid spills should be soaked up immediately without rubbing the surface and placemats/coasters should always be used under hot items.
