Villager Collection

Quality Guarantee

The Villager Collection is designed and manufactured in New Zealand and carries a 25 year guarantee against any material or construction fault, excluding misuse and normal wear and tear. Fabrics and coverings excluded.

Guarantee applies to original purchaser only and does not apply to commercial applications.

Guarantee does not apply to the PU Jackson chairs, which are covered by a 2 year structural guarantee.

All claims are to be made to the original retailer. Proof of purchase is required.

General Care

- Avoid prolonged exposure of furniture to direct sunlight.
- Place furniture away from heat sources where excessive heat may cause timber to shrink.
- For normal cleaning, wipe surface with a damp cloth.
- The lacquer finish has a heat and moisture resistant quality, but liquid spills should be soaked up immediately without rubbing the surface and placemats/coasters should always be used under hot items.

Colour Options

The Villager collection is finished in sienna stain with distressed marks, as standard, with four other finish options available on request.

Sienna

Villager Collection

The Villager Collection is a tastefully designed range of furniture made from solid timber. It features a warm sienna stain and distressed finish to harmonise with traditional interiors.

From the initial design, right through to our unique six-stage hand-rubbed polishing process, each piece of the Villager Collection has been crafted with quality and style in mind.

When you buy a piece of Villager furniture you not only show your appreciation of style and quality but make a positive contribution to the protection and preservation of New Zealand's native forests. Each piece in the Villager range, with the exception of the Jackson chairs, is crafted in renewable plantation-grown pine.
